The cost of the scheme comes to Rs 9042 for 8 months. A sum of Rs 12000/- has been provided in the budget. Deducting the cost of the scheme into Kolar district there is an amount of (Rs 12000 - 9042) 2958 available.

According to the revised grade, of one second grade magistrate and two third grade magistrates are appointed the cost of the scheme will be as follows:

10) As there is a saving of Rs 2958/- the scheme may be introduced in Hassan with effect from 1st March 1924. The actual cost will be Rs 2493/- and the average cost for 3 months will be Rs 3231/-

11) If it is decided to introduce the scheme with effect from 1st March 1924, the necessary alterations in the Revenue Subversion would have to be effected as suggested in para (10) of the P. W. D. This is not necessary as any jurisdiction can be given to a magistrate. If the ~~Dist~~ not be any conflicting jurisdictions the Revenue jurisdiction will have to be reversed. Submitted for orders.

12) Mr. Nanjundiah's letter regarding the introduction of the Scheme into Hassan, was linked to the file for the introduction of the Scheme into Kolar, as per orders. The point was perhaps considered in Council, and perhaps dropped also, as no orders appear to have been passed on the letter. It is a question of recurring expenditure, not merely that for 3 months in the year. Please put up the file containing Mr Nanjundiah's letter.

B a n g a l o r e.

Dear Sir,

13) On the 28th ultimo in the course of my interview with the Dewan he was pleased to tell me that I might ask our Deputy Commissioner Mr. Mylar Rao, to make a reference proposing three Second Grade Magistrates to this District, and that he would sanction the scheme as this would relieve Amildars of their Magisterial work and that the required sum under the new scale of pay to Second Grade Magistrates could be made available now. The Deputy Commissioner to whom I mentioned this is of opinion that he cannot take the initiative without being required by Government to do so. I request you to kindly mention this to the Dewan and arrange for a requisition being sent to the Deputy Commissioner in the matter as early as possible.

Yours sincerely,

N. Nanjundiah

(6) This is only a question of funds. ~~Where~~ The case of Hassan was considered along with Kolar, and the cost for both was estimated at Rs 20000/-. As only Rs 12000/- could be spared, the case of Hassan was ~~dropped~~ dropped. There is of course inconvenience in Hassan as the President of the District Board happens to be a lawyer. He will have to appear before the Amildars who as Presidents of Taluk Boards are subordinate to him. Chiefs may think that this will cause a miscarriage of justice, and it is also possible that some unpleasantness may also arise, as appears to be the case in Chamarajapatna. If about Rs 8000/- can be spared, the scheme may be extended to Hassan.

33) Kind attention is invited to flags A, B & C in this connection.

34) Flag A contains the Deputy Comm's proposals, with all details worked out. This may form the basis for the introduction of the scheme & this was adopted in toto, when Govt considered the question of Hassan, along with Kolar.

35) Flag B, is a statement worked out for 4 Districts including ~~Kolar~~ Hassan when the Kolar proposals were under consideration. The calculation in flag B follow the recommendations in flag A.

36) Flag C, contains calculations based on a different basis, on the understanding that the Treasury Clerk Comm. would be in charge of the 2nd grade Court, and no extra cost need be incurred. This may not perhaps be approved, as it is somewhat against the principle of separation.

37) The only other point to be considered in this connection are whether 1st grade magistrate is necessary or whether a 2nd grade magistrate will

appellate powers, as in Kadur, may not do. Second, there is now a third grade for magistrates & the new men to be appointed for the 2nd Class Courts, may be 3rd grade magistrates, involving less average cost. The actual cost per year, will be the same, as in the Statement at the initial pay is Rs 150 in each case.

38) Points to be decided are Class of magistrates & their number, when other details can easily worked out, keeping the Deputy Comm's recommendations as the basis for other details.

Subject:—

Extension of the Separation Scheme in the Hassan District.

---

73) The question of extending the Scheme of the Separation of the Judicial and Executive functions to the Hassan District was considered last year when extending the Scheme to the Kolar District, but was dropped on financial grounds.

74) The matter was taken up again this year at budget time and a sum of Rs. 12,000 was provided in the budget estimates for 1924-25 to meet the cost of introducing the Scheme to the District.

75) The details of the Scheme were considered since with reference to the proposals submitted by the Deputy Commissioner, Hassan District, and the suggestions received from non-official bodies in regard to the location of the Courts, and I recorded the following minute on the 4th instant:-

A

Pages 18 to 20 of Office Notes

76) "The Chief points for consideration in connection with the introduction of the Separation Scheme in the Hassan District is the location of the Special Magistrates' Courts. All are agreed that the Court of a First Class Magistrate with appellate powers should be established at Hassan. As regards the other Courts which will be Courts of 3rd Grade Magistrates opinion is somewhat divided.

77) "The Special Officer appointed to formulate the Scheme proposes the location of one Court at Saklespur and the other Channarayapatna.

78) "The Bar Association Hassan proposes Saklespur and Hassan as the best places whilst the President of the South Mysore European Planters' Association recommends Belur for the location of the Court

in preference to Saklespur.

79) "The Deputy Commissioner of the Hassan District (Mr. K.Mylar Rao) proposes the establishment of one Court at Saklespur and the other at Hassan.

80) " The Deputy Commissioner further proposes the abolition of the Hassan Sub Division which is in charge of the Treasury Assistant Commissioner and that of the Saklespur Sub Division and establishment in their place of one Sub Division with Head Quarters at Hassan and having jurisdiction over the Taluks of Hassan, Belur and Saklespur and the Sub Taluk of Alur. The proposal seems to be all-right from the point of view of revenue work, but I am not in favour of the abolition of the long established Saklespur Sub Division which is situated in the heart of the Malnad. If this Sub Division is not abolished, the other proposal about the abolition of the Hassan Sub Division fails.

81) " I would therefore propose the location of a Special Magistrate's Court with Second Class and possibly First Class powers at Saklespur with jurisdiction over the taluks of Saklespur and Belur and the Sub Taluk of Alur. Belur is not a central place and will have to be ruled out at once.

82) " The other Court may be established at Hole Narasipur with jurisdiction over the Taluks of Arkalgud, Hole-Narasipur and Channarayapatna. Hole-Narasipur is in a central place and is the Head Quarters of the Munsiff of that Sub Division and has an efficient Bar. There is no advantage in locating this Court at Hassan.

83) " The Special Court with appellate powers at Hassan may have jurisdiction over the Taluks of Hassan and Arsikere as regards Second and Third Class cases, and over those taluks and the taluks of Channarayapatna and Hole-Narasipur and Arkalgud, as regards 1st class cases. The date from which the scheme will come into effect is fixed as 1st September 1924 - is the date fixed for starting Bench Courts in the Dt. It is submitted that if an earlier date is fixed, there will be no time for appointing clerks, purchasing furniture, finding accommodation for Courts etc. As the Judicial powers attached to of the Amildars and Deputy Amildars have to attend to Bench Court work, no savings under that head have been shown. As Sheristedar but Pr. is not abolished as per Dy. Com's recommendation, the savings as shown by the Dy. Office of the Deputy Commissioner,
Hassan District,
Dated Hassan, the 15th March 1923.

From

K. Mylar Rao, Esqr, B.A., B.L.,

Deputy Commissioner, Hassan District.

20 MAR 1923

To

K. Matthan, Esq., B.A.,

ChiefSecretary to the Government of His Highness

the Maharaja of Mysore, Bangalore.

Sir,

I have the honor to submit the following proposals for extending to this District, the Scheme of the separation of Judicial and Executive functions in the State, as directed personally by the Dewan.

2. The mass of original criminal work in the District is now being done by the seven Amildar Magistrates of Taluks, the Deputy Amildar Magistrate of Alur, the three Benches of Magistrates at Hassan, Holenarsipur and Arsikere and the three Assistant Commissioner Magistrates of the three Revenue Sub Divisions in the District; and the appellate work is attended to by me.

3. The proposal now made is to divest the Amildars of Taluks and the Deputy Amildar, Alur and the Assiatant Commissioner Magistrates of the Sub Divisions of their criminal powers and to appoint one, 1st Grade Magistrate's Court and two 2nd Grade Courts for the whole District, Benches of Honorary Magistrates being appointed in places where it may be found necessary and feasible, in addition to the three Benches of Magistrates already in existence. The territorial jurisdiction of these Courts which I would propose is shewn below:-

37

Name of Court.	Jurisdiction.
1st Grade Court. Hassan	First Class cases of Hassan, Arsikere, Channarayapatna, Holenarsipur and Arkalgud Taluks and 2nd and 3rd class cases of Hassan Taluk except cases triable by Benches of Magistrates.
2nd Grade Court, H a s s a n.	Second and Third class cases of Arsikere Channarayapatna, Holenarsipur and Arkalgud Taluks except cases triable by Benches of Magistrates.
2nd Grade Court, Manjarabad.	1st, 2nd and 3rd Class cases of the Taluks of Manjarabad and Belur and Sub Taluk of Alur except cases triable by Benches Magistrates.

The work of the Bench Courts will be confined to 2nd and 3rd class cases of the kind which they may be empowered to try. A statement shewing the volume of work in each of the Courts is enclosed for information. It will be seen therefrom that the 2nd Grade Court at Hassan is likely to have the largest number of cases for disposal; and next to it, the 2nd Grade Court at Saklespur, the 1st Grade Court at Hassan having the smallest number of cases. The cases dealt with by the two latter Courts will however be of a more important nature than those dealt with by the 2nd Grade Court at Hassan. To further equalize the work, the 1st Grade Court may be given power to dispose of appeals.

4. Location of the Courts.

In the statement attached to the Government Order No. J.4550-4600/Cts.31-12-1 dated 10th May 1918, Hassan is fixed for the location of the 1st class Magistrate's Court as well as of one of the 2nd class Magistrate's Court, and Channarayapatna is selected for the location of the other Second Class Magistrate's Court, the territorial jurisdiction of 1st class cases in the whole District being assigned to the 1st class Court, the Taluks of Manjarabad, Belur and Hassan and the Sub Taluk of Alur to the 2nd Class Magistrate's Court at Hassan and the Taluks of Channarayapatna, Arsikere, Holenarsipur

Holenarsipur and Arkalgud, to the 2nd Class Magistrate's Court at Channarayapatna. Government have however observed in para 5 of their Order, that the arrangements were fixed tentatively subject to such modifications as might be suggested by experience. To ascertain the views of the legal practitioners and the convenience of the public, the Lawyers' Association, Hassan was addressed on the question and a copy of the reply received from the Secretary of the Association is enclosed for perusal.

5. I agree in the views expressed by the Lawyers' Association, regarding the location of the Courts. The 1st Grade Court may be located at Hassan which is the Head Quarters of the District. Regarding the 2nd Grade Courts, I would point out that Manjarabad is the centre of the malnad area of the District and is the Head Quarters of the planting community, both European and Indian. The extensive area of the Taluk and its proximity to the villages in the Belur Taluk and Alur Sub Taluk, the fine road communications and the long association of the population of these parts with Saklespur as the Head Quarter of the Sub Division Officer and 1st Class Magistrate, are points in favour of selecting it for the location of one of the Second Grade Courts. I have therefore proposed that one of the Courts should be located there.

6. Regarding the location of the other 2nd Grade Court, I would propose Hassan in preference to any other place. Its central situation and Railway connection with Arsikere, Holenarsipur and parts of Channarayapatna Taluks, facilities for securing suitable legal advice and other reasons give an advantage to Hassan far above any other town.

7. Regarding the question of the jurisdiction of the Courts, the Lawyers' Association have proposed that Arkalgud should be included in the jurisdiction of the Magistrate"s Court, Manjarabad. But I differ from them. The distance between Arkalgud and Manjarabad is prohibitive and during the rainy season the river that separates the places becomes unfordable. I have therefore proposed to bring

that

39

that Taluk within the territorial jurisdiction of the 2nd Grade Court Hassan.

8. Accommodation.

The Court of the 1st Grade, Hassan may be held in the Court Hall of the present Treasury Assistant Commissioner and Magistrate, the rooms now occupied by the establishment of the Revenue Sub Division Office, Hassan, being used for the clerical establishment of the 1st grade Court. Regarding the accommodation for the second Grade Court, at Hassan, I am not sure if the Court Hall of the Amildar will do and if a couple of rooms can be made available in the Taluk Cutcherry building for the use of the officials and for keeping properties. If this arrangement cannot be made, and if no accommodation can be found for it in the District Lock-up building also, a separate building will have to be rented for locating it. There will however, be no difficulty for finding accommodation for it. For the Second Grade Court at Saklespur, the present Sub Division Officer's building will be available as under the proposals ~~laid~~ made by me, the Sub Division Office will be removed from Saklespur to Hassan.

9. As a part of the Scheme of separation of judicial and executive functions, the following Offices may be abolished:-

(a) The District Excise Office may be abolished and the Excise work tacked on to the Revenue Sub Division Officers as per instructions contained in Government Order No. R.14276-86/Ex.100-20-3 dated 30th June 1921. The Revenue Sub Division Officers will exercise these powers under the supervision of the Deputy Commissioner and an adequate staff of clerks and menials will be appointed for the District Office and the Revenue Sub Division Offices as noted in the margin. The present cost of the District Excise Office is Rs420/- and after providing for the additional Excise Staff as noted in the margin, the savings to Government will be Rs98/- per mensem.

Deputy Commissioner's Office.

2nd clerk.	35.

For the 2 Revenue Sub Divisions at Rs.65/-, Rs.130/- per mensem.

T.A. and Contingencies to these Offices Rs.75/- per mensem or Total of Rs.322/- per mensem.

The pay of Rs.300/- of the District Excise Officer will also be savings to Government.

(b) The Revenue Sub Division Office, Hassan.

The Revenue establishment working under the Treasury Assistank Commissioner who is now in revenue charge of Hassan Taluk and Alur Sub Taluk may be abolished and the whole revenue work of the District may be divided among two Sub Divisions, with suitable territorial jurisdiction as proposed later on. The present revenue Establishment of the Treasury Assistant Commissioner costing Rs.260/- will be savings to Government.

(c) Every Taluk Office has got a judicial clerk who works under the Amildar Magistrate and attends to the Court work. With the establishment of the Special Courts, Amildar, Magistrates will have no occasion to exercise magisterial powers and the posts of the judicial clerks in the Taluk Offices may be abolished which will give a savings of Rs.210/- to Government.

(d) Similarly, the posts of the two judicial clerks working in the Sub Division Offices of Holenarsipur and Saklespur respectively may be abolished with a resultant savings of ~~Rs.210~~ Rs.60/- per mensem.

Para 9. The pay of the Special Magistrates of the 3 Special Courts and of the clerical and menial establishment of the Courts calculated according to the Scale laid down in the Government Order amounts to Rs. 1699 2/3 per mensem or Rs. 20396/- per annum as noted in the margin.

Pay of the clerk of the Bench Magistrate's Court at Arsikere. ...	30

An establishment on the marginally noted scale is required for the existing Courts of Bench Magistrates at ARsikere and Hole Narsipur at a cost of Rs.80/- per mensem or Rs. 960/- per annum.

Pay of clerk	30
-do- peon	10
	40
For five Courts:- 40 x 5=	200

Total cost of 1979 2/3 per mensem or Rs. 23756 per annum.

Similarly, provision has to be made for the clerical and menial establishment for the Bench Courts which are proposed to be established at the Head Quarter Stations of the remaining Taluks at Manjarabad, Belur, Alur, Arkalgud and Chennarayapatna, the cost on this account being Rs.200/- per mensem or Rs.2400/- per annum.

Against this must be set off, the amount of savings effected by the abolition of some of the Offices mentioned in para 8 above which comes to Rs.966 1/3 or Rs.11,596/- per annum, the net expenditure being Rs.12,160/-. A statement showing the present and proposed scale of expenditure is enclosed for information.

10. Revenue Sub Divisions.

The revenue work of the Sub Division in the district is at present distributed among the two Sub Division Officers of Hole Narsipur and Saklespur and the Treasury Assistant Commissioner with revenue jurisdiction as noted in the margin. It is now proposed to divide the whole district into two Sub Divisions

x

Saklespur Sub Division Officer.	Taluks of Manjarabad and Belur.
Hole Narsipur Sub Division Officer.	Taluks of Holenarsipur Chennarayapatna, Arsikere and Arkalgud.
Treasury Assistant Commissioner.	Hassan and Alur.

x

No.1 and 2, the former having revenue jurisdiction over the taluks of Chennarayapatna, Arsikere Holenarsipur and Arkalgud and the latter comprising the taluks of Hassan, Manjarabad and Belur and the Sub Taluk of Alur. Both the Revenue Sub Division Offices may be located at Hassan. Chennarayapatna is more centrally situated for the location

of Sub Division No. 1 But there are no buildings suitable for accommodating the office and consequently, Hassan is proposed for its location. A statement showing the revenue references dealt with in the taluks comprised in the proposed Sub Divisions and a statement showing the area and population of the taluks are enclosed for perusal. It will be seen from the former statement that though the figures of the revenue references received in the year 1920-21 would appear to indicate some difference between the work of the proposed Sub Divisions, the figures for the year 1921-22, show an equal quantity of work in the proposed Revenue Sub Divisions. From the statement of area and population, it will be seen that while the area of the proposed Sub Divisions are nearly equal, there is some difference in population. But as Sub Division No.1 comprises, the most thickly populated maidan area in the District and the Sub Division No.2 covers the whole of malnad area with its comparatively smaller average of population in the District, the difference in the figures of the population between the two Sub Divisions, is not of material consideration in fixing their jurisdictions. Regarding the accommodation for these two offices in Hassan, the Sub Division No.1 which comprises the present Hole Narsipur Sub Division will be held as hitherto in the Municipal building where the present Hole Narsipur Sub Division Office is now held. The other Sub Division will be held in the building where the District Excise Office is now located. Regarding the Treasury Assistant Commissioner, it will be seen that he will have no revenue jurisdiction. He will be in charge of the District Treasury and be Personal Assistant to the Deputy Commissioner.

11. As the public are keen on the scheme being introduced into the District, I request that you will be pleased to place

to place the subject before Government as early as possible and obtain their orders.

I have the honor to be,

S i r,

Your most obedient servant,

K Gopalarao

Deputy Commissioner,

Hassan District.

SCHEME OF THE SEPARATION of Judicial FROM EXECUTIVE FUNCTIONS.

HASSAN DISTRICT.

The Association is of opinion that one First Class Magistrate's Court and two Courts of Second Class Magistrates are quite capable of coping adequately with the Criminal Work of the District. Of course, we presume that Courts of Bench Magistrates will be constituted wherever feasible.

As regards the location of the Courts, the Court of the First Class Magistrate may be located at Hassan which is the Head Quarters of the District and is also central.

As regards the Second Class Magistrates' Courts, one should be located at Saklespur. It is necessary for the convenience of the Malnad Taluks as well as for other reasons. The extent of the Manjarabad Taluk renders it necessary. The people of the Belur Taluk have a direct road thereto and large tracts of Belur are also close by. Alur is in a similar position and is also connected by a Motor-bus service.

The other Second Class Court may preferably be located at Hassan. The alternative places to be considered are Holenarsipur and Channarayapatna. Holenarsipur has the advantage of an established Bar. But it is too far away from Arsikere and is separated from Channarayapatna by the Hemavathi River unbridged at that part. The river is sometimes during the summer and most of the time during the mon-soon in floods. Therefore of the two Channarayapatna is preferable as nearer to Arsikere; but Holenarsipur and Arkalgud would, in that case, be separated therefrom by the river.

We are therefore of opinion that Hassan is the best for the location of the Second Class Magistrate's Court also. Arsikere and Holenarsipur are connected by Railway.

Channarayapatna people are also used to come here and some of the more distant places are within easy reach of the Railway.

JURISDICTION.

The Second Class Magistrate's Court at Sakleshpur may have jurisdiction over Manjarabad, Belur, Alur and Arkalgud. The other Taluks may be given to the Hassan Court.

REVENUE SUB DIVISION.

We offer our opinion on this subject under reserve. Most of us think that two Revenue Sub Division Officers are necessary, one having jurisdiction over Hassan, Alur, Belur and Manjarabad Taluks and the other over the remaining four Taluks, both with Head Quarters at Hassan. All of us agree that a Revenue Sub Division Officer with Head Quarters at Sakleshpur is un-necessary. Most of us think that the Treasury Assistant Commissioner should have no Revenue jurisdiction.

We think that the above distribution of work and location of Courts is the best, considering all the circumstances of the District. We are aware that some little hardship will be caused in the single case of Arkalgud about Second Class cases. But the roads are good and such slight difficulties are in-evitable. Further, we believe, though the statistics are not available, that the bulk of cases in that Taluk are such as should be disposed of by Benches.

OFFICE OF THE DEPUTY COMMISSIONER HASSAN 28 MAY 24

Sir,

I have the honor to state that Mr. K. Mahadevappa, a Member of this Board, having sent up a proposition stating that Government may be requested to give effect to the scheme of the separation of the Judical and Executive functions in this District, the subject was placed before the meeting of the District Board, held on the 22nd May 1924 and it was resolved that the Board are strongly of opinion that the introduction of the scheme is necessary and that Government may be requested to give effect to it at least from the commencement of the next official year.

A copy of the resolution on the subject is herein enclosed, and I am strongly of opinion that it is very necessary in the interests of the development of the Local Self Government Scheme that the separation scheme should no longer be delayed so far as this District is concerned.

I, therefore, request that you will be so good as to obtain

early orders of Government in the matter.

I have the honor to be,

Sir,

To A.R.Bannerji, Esq., C.S.I., C.I.E., M.A.,
Dewan of Mysore,

Sir,

I have the honour to ask that the following representations may receive your consideration : -

We have been given to understand that separation of the judicial and executive functions of Government Officers in the Hassan District is under consideration by Government - the demand for separation, I understand, is largely due to the legal profession rather than to the general public - and, in view of what we have heard of the admittedly unfortunate results of the separation already carried out in the Kadur District, we are somewhat anxious as to the course events may take in the Hassan District. While some of us are somewhat sceptical that the theoretical advantages of separation will balance the inevitable increased expenditure we do not wish to protest against the proposed change, but we fear that unless thorough provisions are made the administration of criminal justice will be liable to suffer seriously.

At present criminal cases are dealt with in each Taluk and consequently neither the members of the public concerned nor the Police are compelled to travel too far from their homes or stations nor to desert for too long their ordinary avocations or duties. The vastly different and inferior conditions at present prevailing in the Kadur District after separation without special provisions for dealing with criminal cases is, I believe, known to you and receiving your consideration. To retain the same standard of efficiency and despatch that we at present enjoy in the Hassan District in the disposal of criminal cases it would seem essential that, in the event of separation, a magistrate to deal with criminal cases be appointed to each Taluk, and this we should much like to see carried out. (Perhaps I might suggest that he could also deal with minor civil cases and thus at the same time help to expedite the disposal of civil justice : such expedition would be of great value.)

At the same time we recognise that considerable extra expenditure would be involved by such appointments so we ask that, should such expenditure prove out of the question, a magistrate to deal with criminal cases be in any event stationed at Belur. From the latest census report (Census of India, 1921, Vol XXIII, Mysore, Part II, Tables, page 275 and page 12) it appears that Belur Town exceeds Sakalspur in population and that Belur Taluk exceeds Manjarabad Taluk in population, density of population,

mber of villages and number of inhabited houses. Belur therefore has sound claims to be the station selected and would be a con-
-venient place for the purpose.

The following resolution passed at the last meeting of the Association sums up our views : -

"That in the event of the separation of judicial and executive functions in Hassan District this Association requests Government that a second class magistrate be stationed at the headquarters of each taluk, or, if this is impossible on account of expense, a second class magistrate be permanently stationed in Belur for the Belur, Manjarabad and other Taluks".

I have the honour to commend these views to your considerat-
-ion and to most earnestly request that the proposed separation be not carried out until the fullest possible provision has been made for maintaining at their present level the facilities for the administration of criminal justice in the Hassan District.

Mr. M. Sreekantiah was unanimously proposed to the chair.

The following resolutions were passed:

1. It is detrimental to the interests of the parties involved in II and III class cases in the matter of procedure and appeal that the First class magistrate should be invested with power to take up II and III class cases.

2. That only one First Grade Court for the whole of the Hassan District with territorial jurisdiction over all the I class cases of the District be located at Hassan with power also of hearing appeals against the Judgements in II & III class cases.

3. That, Having regard to the comparative disadvantages resulting from locating a Second Grade Court in Hole-Narsipur or Belur to deal with II and III class cases of the District, it is imperatively necessary to have one of the II grade Courts in Hassan and the other either at Saklespur or Hole-Narsipur, preferably at Saklespur.

4. That in the light of the discussions of to-day, the Secretary (Mr. B. Suryanarayana Rao) will write a detailed letter to Government explaining all the facts and the different aspects for consideration by Government.

5. That the Government be requested to locate the addition ~~al~~ -al Sub Judge's Court at Hassan investing the Sub Judge with the powers of an Assistant Sessions Judge, with redistribution of territorial jurisdiction if necessary.

6. That copies of the above resolutions be forwarded with compliments, to (i) the Deputy Commisioner of the Hassan District (ii) the Secretary to Government (iii,) the Registrar of the Chief Court (iv.) the District and Sessions Judge of Mysore (v) the member of the Legislative Council for the Hassan District (vi) the Dewan and (vii) and (viii), ~~xx~~ the members

M e m o.

The places which might be taken into consideration for locating Second Grade Courts in connection with the separation Scheme are (i) Hassan, (ii) Hole-Narsipur, (iii) Saklespur and (iv) Belur.

HASSAN.

Being centrally situated, Hassan is within easy reach of the litigant public of the several Taluks of the Hassan District.

Sometime ago, Hassan has had for some time the benefit of a District and Sessions Judge's Court and also of a Subordinate Judge's Court. This shows that Government, off and on, feel the importance of the place.

The growing increase in the strength of the Hassan Bar is a sufficient indication of the healthy increase in litigation.

If public opinion should be a consideration for location of Courts, the same is not wanting in Hassan.

SAKLESPUR.

If it should be the intention of Government to give a Second Grade Court for the Malnad Tract, Saklespur is more suited than Belur, in view of the fact that the former has had a First Class Magistrate's Court also hitherto. A Second grade Magistrate's Court might therefore be located at Saklespur for the convenience of the Malnad populace. But, the point that might be urged against this is that the clientele might find Criminal litigation more costly in that they have to get legal help from outside.

According to a rumour prevailing that the Amildar Magistrate's are likely to continue to exercise, as hitherto

Hole-Narsipur and Arkalgud, which won't give sufficient work as the statistics may show.

Granting that a Second Grade Court will be located at Hole-Narsipur, a similar Court at Hassan, is under the circumstances, inevitable. After all, a Second Grade Court at Hassan will not be inconveniencing the Two taluks of Hole-Narsipur and Arkalgud since Hassan is within easy reach of these two Talukks being within 1½ hours run by train from Hole-Narsipur and the people of these two Taluks have been hitherto going to Hassan for purposes of Criminal litigation and the people of Arkalgud have not till now expressed any inconvenience or unwillingness to go to Hassan.

It is not out of place here to mention that Hassan has been rightly chosen as the Head Quarters of the Hole-Narsipur Revenue Sub Division Officer who has been exercising Magisterial powers over the Taluks of Arsikere, Chennarayapatna, Hole-Narsipur and Arkalgud. A departure now is therefore unnecessary.

On a consideration of the foregoing circumstances, the following arrangements will have best served the litigant public of the Hassan District.

(a) One First Grade Court at Hassan for the whole of the Hassan District with territorial jurisdiction over only first class cases arising in the several Taluks of the District, with power also of hearing appeals against the judgments in second and third class cases.

(b) One separate Second Grade Court (Resolution No. 1 shows the inconvenience of giving only One First

Sir,

In forwarding herewith copy of the resolutions at a meeting of the Lawyers at Hassan, I, on behalf of the Lawyers, have the honor to bring the following for the consideration of Government in the matter of location of courts.

The places which might be taken into consideration for locating Second grade courts in connection with the separation Scheme are (i) Hassan (ii) Hole-narsipur, (iii) Sakleshpur and (iv) Belur.

Hassan. Being centrally situated, Hassan is within easy reach of the litigant public of the several Taluks of the Hassan District.

Some time ago, Hassan has had, for some time, the benefit of a District and Sessions Judge's court and also of a Subordinate Judge's court. This shows that Government, off and on, feel the importance of the place.

The growing increase in the strength of the Hassan Bar is a sufficient indication of the healthy increase in litigation.

If public opinion should be a consideration for location of courts, the same is not wanting in Hassan.

Sakleshpur. If it should be the intention of Government to give a II grade court for the Malnad tract, Sakleshpur is more suited than Belur, in view of the fact that the former has had a First Class Magistrate's court also hitherto. A Second Grade Magistrate's Court might therefore be located at Sakleshpur for the convenience of the Malnad populace. But, the point that might be urged against this is that the clientele might

find

47

find Criminal litigation more costly in that they have to get legal help from outside.

According to a rumour prevailing that the Amildar Magistrates are likely to continue to exercise, as hithertofore, powers under the Breach of Contract Act and the Coffee Stealing Prevention Regulation, the interests of the Planting Community will have been cared for in the rumour turning out to be a fact. On a consideration of this circumstance, a Second grade Magistrate's Court at Saklespur becomes a matter for secondary consideration and the Second grade Magistrate's Court intended to serve the Malnad area might with advantage be located at Hassan, the District Head Quarter Town. As the Civil Court, the Court of the Deputy Commissioner and of the District Magistrate and all the other District Offices are all at Hassan, the Second Grade Magistrate's Court at Hassan relieves the Malnad client of a large portion of his expenditure and worries consequent on movements from one place to another. } xc

Hole-narsipur.

A Second grade Magistrate's Court at Hole-narsipur exercising jurisdiction over the Taluks of Arsikere, Channarayapatna, Hole-narsipur, Arkalgude and Hassan, will greatly inconvenience the litigant public of the Taluks of Hassan and Arsikere in general, and of Channarayapatna during a major portion of the year when the Hemavathi River cannot be forded. The reason urged in point x noted above under Saklespur will hold good in bringing home to the Government the particular inconveniences felt by the litigant public of Arsikere and Hassan Taluks, a Hassan or Arsikere client having to go all the way to Hole-narsipur, only for a Second or Third Class Criminal case while his all other legal interests are served in Hassan.

On these considerations, a Second Grade Court at Hole-narsipur, can, at ~~least~~ best, serve the interests of only two Taluks of Hole-narsipur and Arkelgude, which wont give sufficient work as the statistices may show.

Granting that a Second grade Court will be located at Hole-narsipur, a similar Court at Hassan is, under the circumstances, inevitable. After all, a Second Grade Court at Hassan will not be inconveniencing the two Taluks of Hole-narsipur and Arkalgude since Hassan is within easy reach of these two Taluks being within 1½ hours run by train from Hole-narsipur and the people of these two Taluks have been hitherto going to Hassan for purposes of Criminal litigation and the people of Arkalgude have not till

now expressed any inconvenience or unwillingness to go to Hassan. It is not out of place here to mention that Hassan has been rightly chosen as the Head Quarters of the Hole-narsipur Revenue Sub Division Officer who has been exercising Magisterial powers over the Taluks of Arsikere, Chan-narayapatna, Hole-narsipur and Arkalgude. A departure now is therefore unnecessary.

On a consideration of the foregoing circumstances, the following arrangements will have best served the litigant public of the Hassan District :-

(a) One First Grade Court at Hassan for the whole of the Hassan District with territorial jurisdiction over only First Class Cases arising in the several Taluks of the District, with power also of hearing appeals against the Judgments in Second and Third Class Cases.

(b) One separate Second Grade Court (Resolution No.1 shows the inconvenience of giving only one First Class Court with combined powers) to try Second and Third Class Cases of the Taluks of Hassan, Arsikere, Channarayapatna, Hole-narsipur and Arkalgude.

(c) A Second Grade Court, if necessary, at Saklespur for the Second and Third Class Cases of the Taluks of Manjarabad, Belur and Alur.

(d) If the ramoured location of a Second Grade Court at Hole-narsipur should prove a fact, three Second Grade Courts are inevitable for the District, one at Hassan, one at Hole-narsipur and one at Saklespur. But the Criminal file of the District may not justify the expenditure for three Second Grade Courts for such a small, mild and poor District, in which case a Second Grade Court at Saklespur will have to be left out of consideration, and the Hassan Second Grade Court will have to exercise jurisdiction over the Malnad Taluks as well.

In any case, there is absolute need for one separate Second Grade Court (in addition to one First class Court) at Hassan. Therefore, a choice for the other Second Grade Court can only be between Hole-narsipur and Saklespur, preferably Saklespur.

On behalf of the Lawyers of Hassan, I request you therefore to kindly move Government to make arrangements calculated to satisfy our demands in the light of the suggestions noted above.

I have the honor to be,
Sir,
